## REMINDER: Posting Program/Student Outcomes

Your responses to Program/Student Outcomes questions from this survey need to be made publicly available on your program's website by January 7, 2022, and a hyperlink to that web page needs to be sent to [cacrep@cacrep.org](mailto:cacrep@cacrep.org). The information to be posted includes the following four data points regarding each of your accredited specialty areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates. Posting a link to your completed report will satisfy this requirement.

**If you are a new program completing the Vital Statistics Survey for the first time**, you need to publicly report these data points in a program outcomes report on your program website. Once this report has been posted, you then need to send a hyperlink to the report via email to [cacrep@cacrep.org](mailto:cacrep@cacrep.org).

**If your program submitted a Vital Statistics Survey last year** and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the hyperlink to the outcomes report changes when you update this information, you need to send a copy of the new hyperlink via email to [cacrep@cacrep.org](mailto:cacrep@cacrep.org).

**You will NOT have an opportunity to receive a copy of your completed survey later. If you want a copy of your completed report, please ensure that you click the "Download PDF" link on the page after this question.** Do you want a copy of your completed report?

**Yes**
